RE: 03 NOVEMBER 2009 ELECTION RESULTS – CORRECTED

Greetings!

It is my pleasure to report the following 03 November 2009 city election results for the one precinct designated by the City Clerk for the City of Greenleaf in accordance with Idaho Code 50-408, and with precinct polling place at Greenleaf City Hall:

181	Ballots cast
001	Spoiled ballots
163	Votes received for Mayoral candidate Brad Holton
153	Votes received for Council Seat #2 candidate DeAngelo M. Enrico
069	Votes received for Council Seat #3 candidate Douglas Behrends
096	Votes received for Council Seat #3 candidate Kurt Kopadt
147	Votes received for Council Seat #4 candidate Steven G. Jett

Voter Turnout: The ballots cast represents approximately 45% of the 406 registered voters identified by Canyon County in the poll book. The Brookside Estates Subdivision may have been overlooked when the poll book was generated.

NOTE: This memo corrects a mis-reading of the tally-book which led to an initial election results memo that over-reported totals for votes received for all races by 10 votes.
