Cemetery Policy

- All Markers, headstones and monuments **MUST** be wet-set in place using string line and lot markers for placement guidance.
- All headstones, monuments may not exceed 38” in height from the ground.
- A burial lot may contain one standard burial and 4 cremations. A cremation on each of the 4 corners of the lot. The corner burials will have to have a flat (ground level) wet-set in place stone.
- Burial plots are 4’ wide, so concrete foundations for grave markers must be in the 4’ increments by 2’ deep by 6’ thick. Such as 4’ for single; 8’ for double.
- Stone (monument) installation must be provided by a monument company. The cemetery does not provide this service, nor do we allow individuals to set them.
- On standard burials an outer container (vault) is required. This offered by the mortuary of your choice. Cemetery will allow the Vantage Graveliners.
- Cremation burials do not require an outer vault.
- A 72 hour notice is required for ALL burials.
- We do require a temporary marker on the gravesites.

To whom it may concern:

Enclosed are our most recent price changes and guidelines for the Greenleaf Cemetery District. Please make note of a few things. We are now requiring a Temporary Marker for all burials. This is very important.

If you have any questions, please let us know.
