

The City of Greenleaf cordially invites you to a Community Discussion

with

Operation Community Cats of Idaho

About Trap-Neuter-Return

7:00 p.m. Wednesday, 30 September 2026

at the

Greenleaf Community Center

21441 Main Street (SH-19)

Greenleaf residents with a love and concern for free-roaming un-owned cats in our community are invited to discuss solutions for the cat situation in Greenleaf with *Operation Community Cats of Idaho* (<https://occidaho.org/>), including opportunities for a resident supported Trap-Neuter-Return (TNR) Pilot Event.

Operation Community Cats can assist, but *success takes active involvement from local residents!* Come to the meeting to find out more, and how you can help!
