\*All markers, headstones, and monuments MUST be wet set in place using string-line and lot markers for placement guidance.

\*All headstones, monuments, etc may not exceed 38" in height from the ground.

\*Please contact cemetery maintenance before setting a stone 208-989-2138

\* A burial lot may contain one standard burial and 4 cremations. A cremation on each of the 4 corners of the lot. The corner burials will have to have a flat (ground level) wet-set in place stone.

\* Burial plots are four feet wide, so concrete foundations for grave markers must be in the 4 foot increments, by 2 feet deep by six inches thick. Such as 4 foot for a single; 8 foot for a double, etc.

\* Marker and marker installation must be provided by a monument company of your choice. The cemetery does not provide that service.
